

On behalf of Jacob Fleming we are proud to bring to your attention their upcoming event:

**[4th Annual PPP in CEE and SEE Conference](#)
[16-17 October 2008, Budapest](#)**

In the region of CEE and SEE we can clearly identify the need for better sharing of knowledge and experience between different parts of the public sector and between countries to ensure efficiency in the development of PPP approaches and processes, and consistency in procurement.

Attend **4th Annual PPP in CEE and SEE Conference** and **enjoy** this high profile networking opportunity. **Meet** governmental and municipal representatives and **hear** how words are being replaced by action. **Get updated** on the latest developments in the region and **share** your experience with ongoing PPP projects.

Three days filled with practical workshops for the public sector, interactive discussion panels and hands-on case studies will let no question unanswered. Networking sessions are a great opportunity to meet your prospects and establish new business contacts that can grow to further partnerships. **[REQUEST](#)** your comprehensive brochure...
